3. Your identity remains anonymous to your BB until the official pairing release ;)
4. Our GaruBB bot moderator, Adam, has access to the messages sent into the bot (but he wouldn't be looking). Please take it outside the bot to chat if you are uncomfortable with this. It also means that you will have to reveal your identity to your GaruBB in advance (but no penalties, don't worry!)
5. Please do not send any inappropriate messages or media to your GaruBB!
6. Please refrain from sending personal information into the bot.
7. If you encounter any other problems, please feel free to contact Adam (telegram handle: @eggybiscuit) for help!
